Everything You've Heard Is True<sup>SM</sup>  
[hedonism.com](http://hedonism.com)

NOT FOR EVERYONE NOT FOR EVERYONE NOT FOR EVERYONE

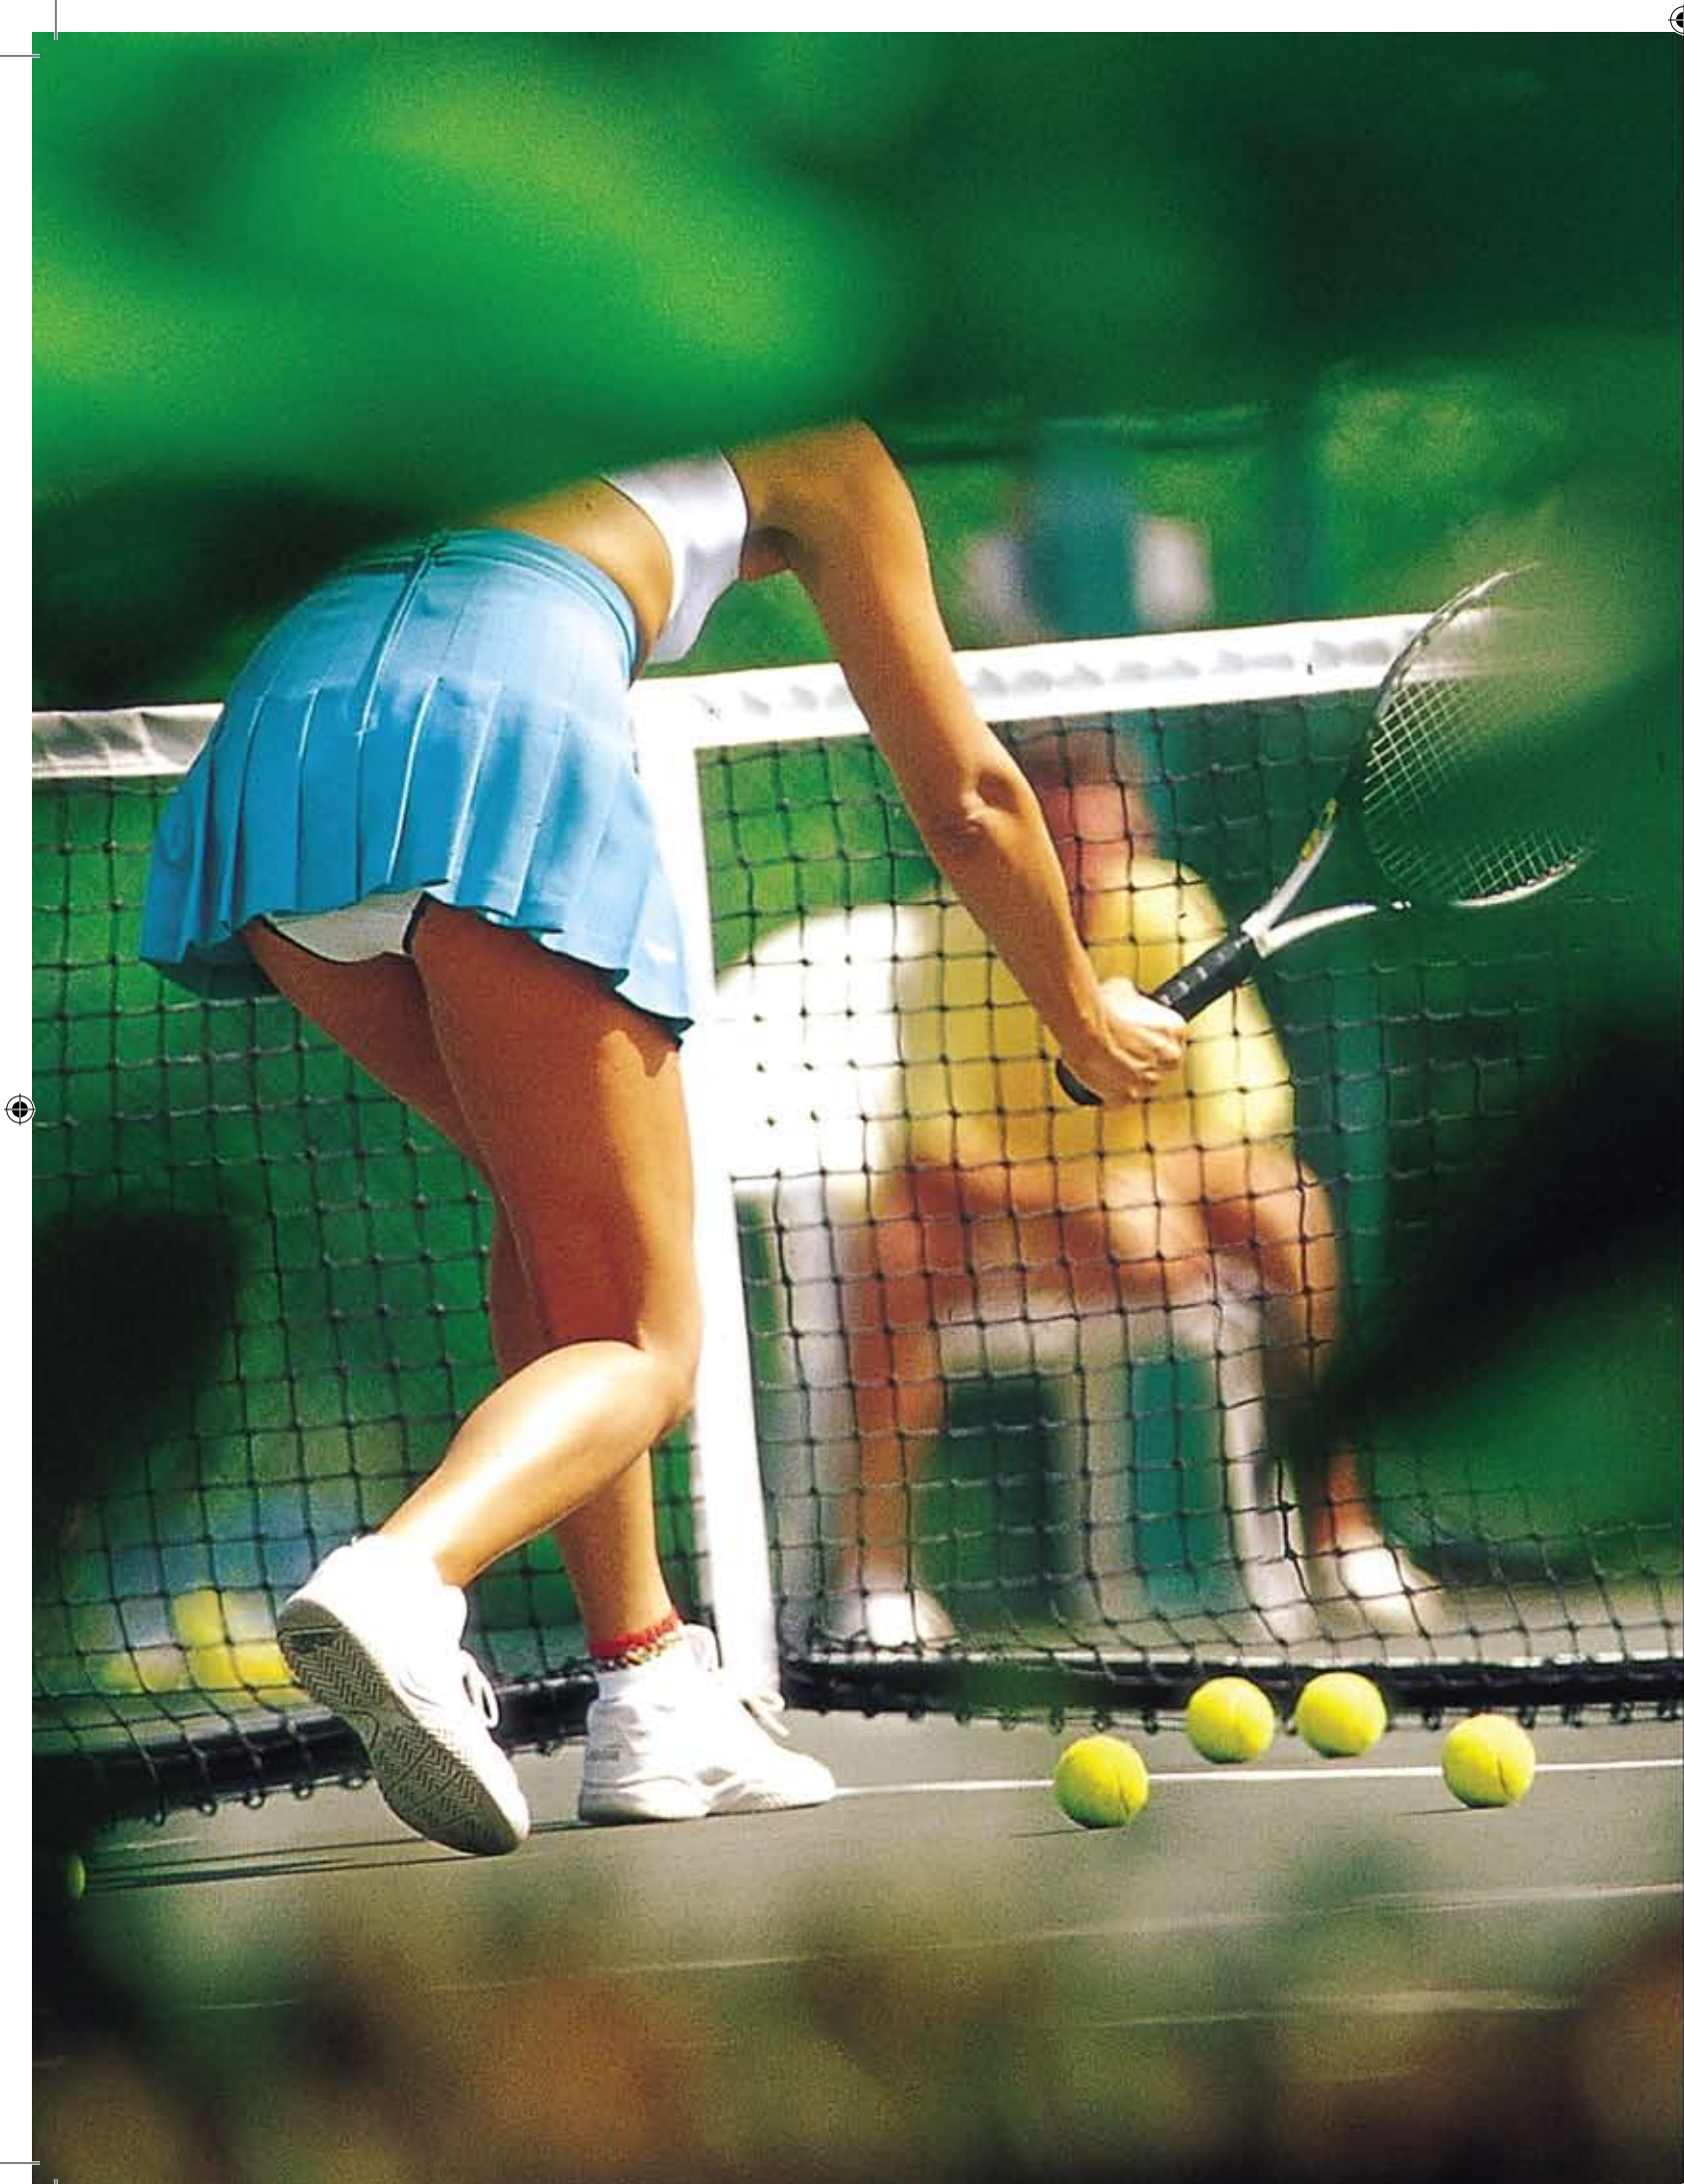

It's true. The rumors, the legends, the myths. ALL TRUE. For more than thirty years, Hedonism Resorts have enjoyed a reputation for shattering inhibitions and provoking the kind of behavior people don't talk about in polite circles. It's what happens when you combine warm water, white-sand beaches, open bars and open minds. The notorious Hedonism II on Jamaica's famed Negril Beach is about as far as you can get from your everyday life. And best of all, just about everything you can eat, drink and do is included.

ALL TRUE

# 4 PLAY FOREPLAY FOR PLAY 4 PLAY

So you like to play games? Whatever you're into, chances are you'll find it at Hedonism. There's kayaking, sailing, windsurfing and water-skiing. Snorkeling and Scuba. Beach volleyball. Tennis and Fitness Center, all with instruction included. There are glass-bottom boat rides, theme parties and poolside contests. At Hedonism, if you're up to it, we're game. And whether you're in the game room or the bedroom, the same rule applies: You don't have to be good to have fun. So let's play.

FEED YOUR HUNGER FEED YOUR H

Hedonism is all about yielding to temptation. Our expert chefs will entice you morning, noon and night with an endless variety of traditional favorites and tropical surprises at the **TERRACE ROOM**. Or savor a quiet moment in one of our more formal settings. Enjoy the sensual tastes of Japan at **MUNASAN**, discover authentic Jamaican jerk at the **REGGAE CAFE RASTAurant** or Italian treats with Caribbean flair at **MARTINO'S**. Step up to one of our many bars and challenge the bartender to surprise you with an exotic concoction. Go a little crazy. Experiment. That's what Hedonism is all about. And best of all, all your meals and drinks are included, making this a tropical garden where no fruit is forbidden.

THESE BEDS WEREN'T MADE FOR SLEEPING<sup>SM</sup>

Where do you see yourself on your next vacation? If the first answer that springs to mind is "on the ceiling", well, my friend, you've come to the right place. Every room at Hedonism Resorts boasts a king-size mirror mounted directly above the bed. It's a constant reminder that you're here to indulge your wildest fantasies. And even if you never tell another soul about your Hedonism experience, you'll always have a witness. Best of all, the dirtier you are, the more you'll appreciate our spectacular new multi-head sexy showers.

LET YOUR ANIMAL OUT LET YOUR

Some follow trends. Others create them. Count Hedonism II among the latter. Definitely not for the faint of heart, this sprawling retreat on Jamaica's westernmost tip is the original embodiment of freedom and fun. Life here centers around two beaches. One nude. One not. And despite endless updates and enhancements over the years, one trend has remained constant: the population on the nude beach seems to increase in direct proportion to the decline on the prude beach. Maybe it's because you quickly learn that nobody's judging. Or maybe it's just because everything's included, so you don't need pockets.

LET YOUR ANIMAL OUT LET YOUR

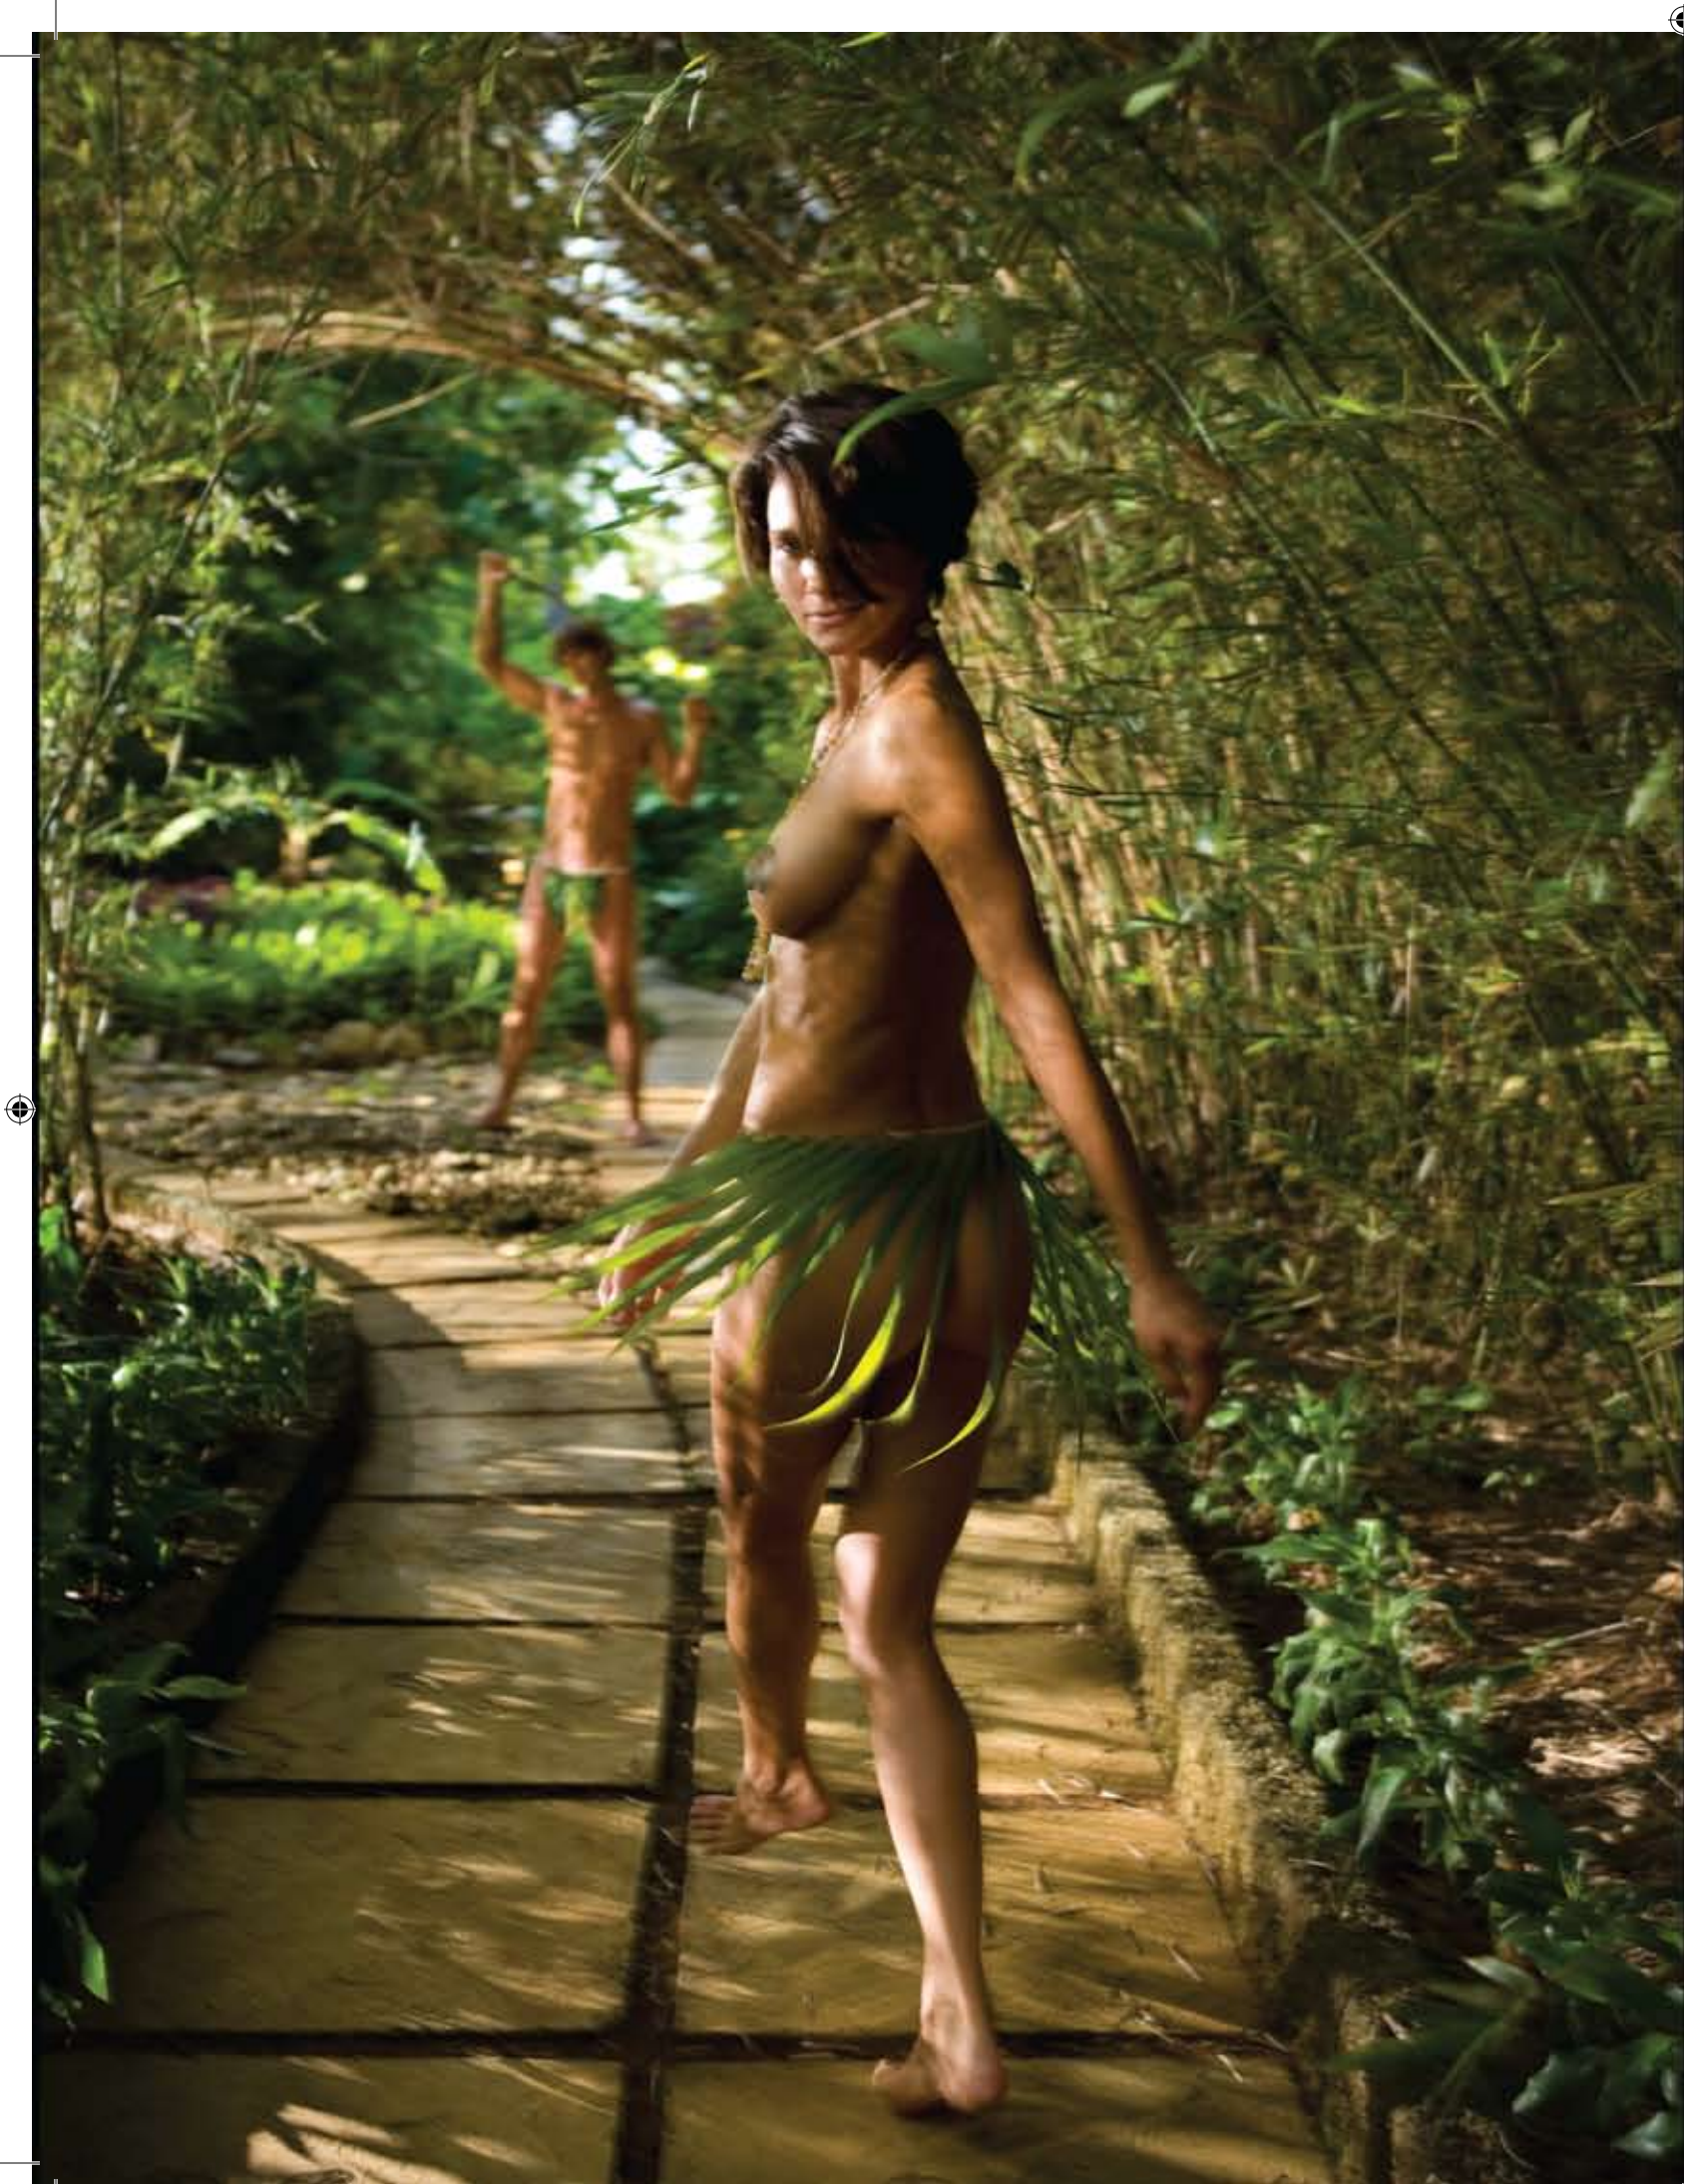

GET INTO THE SWING OF THINGS

Open minds. Open bars. And open relationships. These are the things that make Hedonism Resorts really swing. In keeping with our belief that what you do and with whom you do it is entirely your own affair, we open Hedonism Resorts to lifestyle groups several times a year. If that's your thing, great. If it's not, that's okay too. You'll never be pressured to do anything you don't want to do. But if the mood strikes and the atmosphere's right, go for it. And just like anything else, all we ask is that you be safe, responsible and respectful.

# AU NATUREL A PRIMAL PLEASURE

There's nothing quite like the sensation of warm sun and cool breezes against bare skin. Or the liberation that comes with the discovery that deep down, we're all the same. Nobody's perfect. More importantly, nobody's judging. This, more than anything else, is the very essence of Hedonism. The freedom to pursue pleasure in its most primal form, with no worry about money, or clothing or society to get in the way. That's why Hedonism Resorts boast a private nude beach, nude pool and organized nude activities.
